SPACE WALL SYSTEM - SLATWALL

Put Unused Wall Space To Work

Modular SlatWall system is completely flexible and allows for configurations to be quickly changed based on your needs. Attaches to any wall surface. Hang tools, mops, rakes, shovels, or any other items you need accessibility to. Slatwall panels are constructed of 3/4" medium-density particle board with white melamine surface. Accessories to maximize usage include: Wire Baskets (for small parts or tools), Shelves, Peg Hooks for hanging tools or rope, etc., chrome shelf brackets and two pronged Broom Holder for hanging mops, rakes, shovels, etc.
