W•I•D•E SPAN STORAGE RACKS

Wire Deck Bulk Rack

Ideal for use where the benefits of open construction are essential. Allows air to circulate freely through 3" square mesh openings. Self cleaning for easy maintenance. For added safety, ensures that sprinkler water can get through rack, helping to reduce Fire Insurance premiums. Provides maximum visibility of contents for quick and easy inventory control. Wire deck finished in gray epoxy.

Low cost wire and wood deck bulk storage racks are space-efficient to make maximum use of your storage area. Extra high, wide and deep racks accommodate a variety of sizes and shapes. For use in retail, commercial and industrial applications. Four side accessibility for convenient hand loading.

Easy set-up with snap-in pre-cut components. No nuts, bolts, clips or tools required. Sturdy roll-formed steel framing provides maximum support. Front-to-back supports help prevent beams from rotating when fully loaded. Unique double button stud construction locks perimeter beams into corner post forming a structurally secure joint, eliminates back and side sway. Chip resistant gray baked enamel finish. Rugged 1 1/2" x 2 1/4" x 14 ga. steel uprights are punched on 1 1/2" centers.
