WIRE MESH SHELVING STORAGE CENTER

Enclosed Bulk Storage Center

Choice of Wood or Wire Deck

Wire mesh storage unit keeps inventory in full view. Features 3 shelves that adjust on 3" increments, choose either 5/8" particle wood or wire. Optional shelf reinforcements increase capacity to 600 lbs. for wood and 1000 lbs. for wire. Available with open front or pad-lockable hinged door for added security. Wire mesh construction: 1/4" wire x 3" squares. Durable gray epoxy finish. Easy assembly.
