

UTILITY CARTS - SOLID SHELF

POLYFLBRITE or Stainless Steel Utility Cart

Perfect for food service, hospitals, labs, inventory and more. Choose between Poly-Z-Brite or stainless steel shelves. Shelves adjust on 1" increments to accommodate varying requirements. 5" dia. polyurethane swivel casters with donut bumpers help protect walls and doorways. Handles have a chrome finish. Choose between 2 or 3 shelf carts. 800 lb. capacity.

For additional configurations or sizes, order shelves, handles and casters individually. Wire and solid shelves can be mixed on the same unit.
