OFFICE & COMPUTER FURNITURE

Heavy Duty Lan Station

Supports up to a ton of equipment!

Keyboard Holder

Cable Management Channel

Accessory Shelf

Keyboard Drawer

EIA Rack

8" Deep Shelves

Monitor Angler

Our Heavy-Duty LAN Stations accommodate any LAN environment - no matter how many monitors, servers or printers you have.

These 16 ga. steel-reinforced stations are available in 24", 48", 72" widths. Each unit features a 30"D work surface to handle even the largest monitors, leaving plenty of workspace. The plastic laminate work surface is 1 1/8" thick. Gray finish.

Two top shelves (18 1/4"D) are height adjustable in 2" increments to accommodate various sized LAN equipment. Lower shelf (27"D) is ideal for housing multiple servers. All shelves are 3/4" thick plastic laminate. Gray finish.

Each unit offers triple-leg support with four lateral braces for added stability. Braces offer built-in cable management. Vertical Cable Management Channels can be added for a complete cable management system. Attaches to any leg and runs the full height of the LAN station. Add a Caster Base with (6) 3" casters for office mobility. For 24" add (4) 3" casters. Gray powder coat finish.
